

December 2024

Product Compliance Declaration

Sony Semiconductor Israel Ltd. is committed to ensuring that our products meet the highest standards of quality, safety, and environmental responsibility. This letter serves as a general statement of compliance for Sony's products regarding the following regulations and directives:

1. REACH Regulation (EC) No. 1907/2006
2. RoHS Directive 2011/65/EU (including amendments under Directive 2015/863/EU)
3. EU Persistent Organic Pollutants (POP) Regulation (EU) 2019/1021
4. IEC Standards
5. California Proposition 65 (CA65)
6. Halogen-Free Requirements

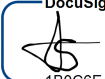

Our products also comply with other relevant international regulatory requirements as applicable.

This declaration is valid as of the date of this letter. For the most up-to-date compliance declarations and updates, please refer to the following link: [Green Product Declarations](#).

Please note that this declaration applies to Sony Semiconductor Israel Ltd. products based on the information available to us and our supply chain at the time of issuance. Detailed product-specific compliance information, including test reports or material declarations, may be provided upon request.

Should you require further information or specific certifications, please do not hesitate to contact us.

Sincerely,

DocuSigned by:
